One's upon a time there was a girl called Gigi.
She was 10 years old.
She was in the 4 grade.
She loved camping.
One day Gigi went camping.

Gigi was so excited.
Gigi packed all the stuff she needed.
Gigi had a whole suitcase packed.
"What are we waiting for"said Gigi.
"We are waiting for dad "said mom.
Finally dad was ready.
So they went camping.
They went camping in the forest.
When Gigi found out they were camping in the forest she got scared.

"Can we go back home "said Gigi.
"Why you like camping "said dad.
"I am scared "said Gigi.
"You don't have to be worried,it will be fun"said dad.

It was a 1 hour drive.
When they reached at the forest they build the tent.
Gigi had a lot of fun building the tent.
"Maybe dad was right it will be fun", thought Gigi.

After building the tent they made a fire.
Then they played some games.
And then they made dinner
Gigi liked the dinner.
Then they went to find some sticks for the breakfast.

And then it was time to go to bed.
Gigi was really scared.
But she had to do it.
So she slept.
And mom and dad slept too.

The next day Gigi woke up.
"It was not that bad", said Gigi.
Gigi was starving.
So they made a fire out of the sticks wich they
had found the day before.
They made a hotdog.
And then they played hide and seek.
It took 1 hour to find Gigi.
When Gigi was hiding she found treasure.
And then her dad finally found her.
Then they opened the treasure.
There was lunch in the treasure chest.
It was lunch time.
Then they ate lunch and went back home.
