

# The magical sunset

*Hafsa Tak*

Once upon a time, there was a girl called Lisa.

She was 8 years old.

She loved looking at the sunset.

One day she went to the beach .

In the evening she saw the sunset.

Lisa blinked.

After she blinked she was in a another world.

In the other world, there  
was a party.

There was a girl standing  
in front of Lisa.

The girl standing in front  
of her had a mask on. It  
was her best friend.

So they played together.  
And that even ate ice cream.  
Then there was again a sunset.  
Then Lisa and her friend  
teleported to europa park .  
Lisa and her friend had a lot of  
fun.  
They went on roller coaster.  
They even watched a 4D film.  
And ate popcorn.  
They had a blast.

Then there was  
again a sunset and  
teleported Lisa  
back home.  
At home she wrote  
all in her diary.  
And then she ate  
dinner with her  
family.

And then she heard a  
voice .

It was saying Lisa Lisa.  
And then she woke up.  
It was all a dream.  
So she got ready for  
school and went to  
school.
