

The first day of school

Hibah Tak

Once upon a time there was a girl called Yikes. It was a really exciting day. It was a special day because it was Yikes's first day of school. She was so excited, she wanted to go right now to school but her mom said, "it is too early", so Yikes waited

And then her mom said now we can go Yikes and she was really excited to go in school. She ran to school and she went to her teacher. She told hello and she said, "what would we do". The teacher said, "we are going to do math".

“Ye I love maths and will it be multiplication”.
“no”, said the teacher. It will be plus
and minus. “I am really good at plus and minus”,
said Yikes.

“So you will get harder maths”, said the teacher. “In real, would you give me Multiplication”

So they went in the class.
