

The new superhero.

Hafsa Tak

Once upon a time
there was a girl
called Saline.

She was 6 years old.
She had blue eyes
and brown hair.

Her wish was to be
a superhero.

She always had
dreams to be
superhero.

She had a whole
room of superhero
pictures.

One day she went to school.

At school she saw her teacher.

“Hello Saline” said the teacher.

Today we are going to do some maths.

There were easy questions.

She did all of the questions.

And then there was something out of there window.

She looked closely.

It looked like a monster from the story she was reading.

And then all of her classmates saw it to.

They all ran away, also the teacher.

Saline ran too.

She ran really fast.

And she even could lift a bench.

And then she told, "am I a superhero".

And then she had superhero costume on.

"It's so cool", said Saline.

“I need a new name” said Saline.

“Salely is a good name for me as a superhero”.

“Let’s save this city” said Salely.

“Looks like I need to fight against the monster alone”.

There was more
than one monster.

There was 1 big
monster.

“I guess I need to
fight the big
monster first “said
Salely.

She fought against
the biggest
monster.

She was fighting
against the monster.
And after 1 minute
the monster was
dead.

And then she
transformed back.
Then Saline went
back home.

Her mom told there
is a new superhero
called Salely.
